To Whom It May Concern,

We hereby confirm that **Maria Konstantinou** completed a Civil Engineering (unpaid) Remote Internship out of Tanzania starting from 9th January 2023 for 3 weeks covering a total of 100 hours.

Maria completed her remote internship at Tanzania Buildings Agency (TBA) which is Tanzania's government Executive Agency under the Ministry of Works (MoW) with a primary mandate of providing quality accommodation to Government and public servants as well as building consultancy services to the Government.

They work to provide sustainable and affordable accommodation to the Government and Public Servants through efficient and effective consultancy services, Real Estate Investment and Management.

For her remote internship, Maria had the following responsibilities:

- Attending virtual lectures and workshops to gain a deeper understanding of the industry and its various aspects.
- Shadowing experienced professionals to observe their work and learn about different roles and responsibilities within the organization.
- Engaging in discussions and Q&A sessions with professionals to gain a deeper understanding of the field and clarify any questions or doubts.
- Participating in virtual meetings and contributing to team discussions to understand the team dynamics and organizational culture.

We at World Unite! had the pleasure of coordinating Maria's internship at TBA and supervising her through it, working hand in hand with the supervising staff at TBA.

From her dedication, hardwork, efforts and excellent ability in self management during her internship, we are positive that Maria is on her way to a successful future in her career.

In case you would need any further clarification, please do not hesitate to contact us.

With Kind regards,

Christian Engler
