Date

8 August 2024

On behalf of YUFE

Professor Dr. Rianne Letschert
Chair of the YUFE Strategy Board

www.YUFE.eu

admission@yufe.eu

The YUFE Professional Star recognises personal and professional development activities undertaken by students within YUFE. Activities will focus on identifying opportunities to improve existing solutions or develop new alternatives and on implementing positive changes and will have a strong problem-based orientation.

The student has completed the following courses and activities:

Type	Title	Hosting university	Mode of delivery	Language	Semester and Academic Year
Professional Training Activity	Talk Show - Principles of Networking	YUFE	Online / Physical	English	Semester II 2022-2023
Professional Training Activity	Talk Show - Project Management using AGILE	YUFE	Online / Physical	English	Semester I 2023-2024
Professional Training Activity	Talk show: Sustainable Entrepreneurship	YUFE	Blended	English	Semester I 2023-2024
Professional Training Activity	The Simple Startup: Why Starting A Businesses Doesn't Have To Be Complicated	YUFE	Online / Physical	English	Semester II 2022-2023
Professional Training Activity	Transformpreneur for the 21st century	Universidad Carlos III De Madrid	Online / Physical	English	Semester I 2022-2023

While participating in the Professional Star activities, students will develop some of the competences indicated below. These competences have been identified as those that a YUFE student will have acquired or further developed by successfully taking part in and completing the YUFE DST and YUFE Star System. The EntreComp competencies have been mapped to the YUFE Competency Profile and will therefore be taken into account when the student undertakes YUFE Professional Star activities.
